

Tomorrow's Doctors, Tomorrow's Cures

Learn

Serve

Lead

Marc A. Nivet, EdD, MBA
Chief Diversity Officer
February 18th, 2016

Association of
American Medical Colleges

What's the job your are hiring diversity to do?

Increases access to high-quality health care services

Broadens the medical research agenda

Advances cultural competence

Supports institutional excellence

Enhances education along the continuum

Diversity and
inclusion must
be linked to
culture change
