Dear Colleagues,

The members of the LCME want to assure you, as does the LCME Secretariat, that we support your efforts, whether they involve a pause in students' educational activities or not, to adapt to the current and evolving challenges presented by the COVID-19 pandemic. This is an exceptionally uncertain and difficult time during which we share the same challenges and are learning with and from you. As always, but particularly now, we are committed to collaborating with you to promote flexibility in and to design creative yet sound solutions to the issues that confront us. We encourage you to contact the LCME Secretariat (lcme@aamc.org) to discuss and receive direct assistance in designing your plans, and to consult regularly the COVID-19 resource site on the LCME's homepage (www.lcme.org).

With kindest regards and utmost collegiality,

David R. Lambert, MD
LCME Chair

Toni M. Ganzel, MD, MBA
